# Welcome from the Principal

Welcome to Monroe Charter Academy for the 2020-2021 school year. We are excited to begin our 2<sup>nd</sup> year and to embark on this educational journey together. We are anticipating many exciting and fun events to take place throughout this school year.

I am honored to be your Principal and to have the opportunity to work with our teachers, students, parents, and the community. Our top priority is to ensure that we provide each student with a solid foundation for academic success in a safe, supportive, and productive learning environment. I look forward to working with you to develop our students into academically thriving citizens.

This document is filled with valuable information regarding school policies and procedures. I would like to suggest that you and your child review the contents of this document to ensure that you both understand the expectations that have been set forth for students. If you have unanswered questions after reading this handbook, please call our school office.

Blessings,

Dr. Camela Ford  
Principal  
Monroe Charter Academy

## Mission

Our mission is to develop each child into an academically thriving citizen, by partnering with parents and the community, utilizing high expectations and a rigorous classical education, delivered with purposeful and spirited devotion.

## Purpose

Children may not be products of our environments as much as they are products of our expectations. Academic excellence, along with the development of the child's character and life skills, will be our blended and uncompromising objectives. We will teach children classically, in the natural ways they want to learn, and with rigor. Our educators will maintain a purposeful cognizance of our academic goals and will deliver the education with undisguised love of their vocations and our children.

## Curriculum

Monroe Charter Academy is committed to meeting the needs of every student in the county and surrounding areas. Our instructional program will be anchored by the Core Knowledge Sequence, a classical approach to education.

The Core Knowledge Sequence is a detailed outline of specific content, aligned with the North Carolina State Standards. By offering a challenging back-to-basics approach to education, our targeted demographic will be able to spend time building that bank of knowledge and receiving the help they need along the way, whether it be a modified/scaffold down approach, after-school tutoring, or taking picture walks. The cross-curricular pedagogy with content alignment across disciplines brings strength to the curriculum.

Monroe Charter Academy will support the Core Knowledge sequence with the Core Knowledge Language Arts Program, Core Knowledge Science, Core Knowledge HGCA (History, Geography, Civics & the Arts), Saxon Math, and Shurley English. Additional special classes in art, music, and physical education will also be offered. We will support our English Language Learners through Shurley English's "Stepping Stones to English." This four-phase ELL supplement will complement the Core Knowledge Language Arts and Shurley English programs.

Additionally, to support Monroe Charter Academy's commitment to citizenship, Monroe Charter Academy will adapt a K-5 (elementary school) version of Heroes vs. Villains. Monroe Charter Academy's Board has chosen to use Core Knowledge's Language Arts Program. There is a

specific K-3 curriculum and a 4-5 curriculum. The K-3 Language Arts Program is broken up into two strands, the Skills Strand and the Listening & Learning Strand. The Skills Strand has students learning reading and writing together, building language skills and being able to translate that onto paper through spelling (spelling words). The Listening & Learning Strand focuses on comprehension. So, while students are learning how to read and spell, the Listening & Learning Strand allows students to understand the meaning of these words. The 4-5 curriculum focuses on the mastery of the skills learned in grades K-3. Monroe Charter Academy will use DIBELS to assess student progress.

Core Knowledge HGCA is pulled from the Core Knowledge Foundation and aligns perfectly with the sequence. Heroes & Villains will complement the civics curriculum as students will learn about American figures through time, their contributions to society, and virtues espoused. Monroe Charter Academy will also use the Core Knowledge Science curriculum. They provide direct alignment and cross-curricular opportunities. Monroe Charter Academy has chosen to use Saxon Math (recommended by the Core Knowledge Foundation). Saxon Math continually reinforces previously mastered concepts. There is a reduction in knowledge gaps through the spiraling of instruction as students are continually using previous knowledge to master new concepts.

Shurley English will be used to teach students the basics of grammar, syntax, and sentence structure. The Shurley method engages students through songs and jingles, but is structured to provide a coherent approach to the subject, ensuring continuity of instruction. This will act to support the Core Knowledge Language Arts curriculum. Teachers will be able to use many methodologies, allowing teachers to use best practices and teach with confidence. Using a variety of teaching techniques will help reach each student in the way that he or she learns best. Teaching methods that Monroe Charter Academy teachers may use include but are not limited to direct instruction, experiential learning, collaborative learning, and directed independent study. To aid in the evaluation of student performance and competencies, we will administer the Northwest Evaluation Association (NWEA) Measures of Academic Progress (MAP) two or three times per year for students in grades 2-5. For grades K-1, we will administer the NWEA MAP for primary grades. Monroe Charter Academy will also administer the EOG's at the end of the year.

## Assessments

Students at Monroe Charter Academy will be assessed using the following assessments on the following dates per State mandates:

<b><u>Assessment Name</u></b>	<b><u>Description</u></b>	<b><u>Dates Administered</u></b>
W-APT	This assessment is used by educators to measure the English language proficiency of students who have recently	September

	arrived in the U.S. and/or are new to Monroe Charter Academy.	
WIDA Screener	The WIDA Screener is an English language proficiency assessment given to incoming students, in Grades 1 or higher, to assist teachers with the identification of students as English language learners (ELLs).	October
NWEA Map	This assessment is a computer adaptive test that adjusts to each student's learning level, providing a unique set of test questions based on their responses to previous questions.	September, December, and March
ACCESS Test		February
Beginning of Grade - 3rd Grade		September
End-of-Grade (3 <sup>rd</sup> Gr) – 4 <sup>th</sup> Grade		September
Reading Diagnostic		September
End-of-Grade - 3 <sup>rd</sup> - 4 <sup>th</sup> Grade		May

\*Information on student progress is shared with the parents through quarterly progress reports, and tri-annual parent-teacher conferences.

# Important School Information

## School Time

### School Hours

In order to ensure that your child arrive to school and gets picked up on time, the following is a schedule of our school's start and end times, including before and after school hours:

**Regular School Hours:** 7:30am-2:30pm-Monday through Friday.

All Parents will receive a calendar at the beginning of the school year listing all holidays and teacher work days.

### Before-School Hours

Monroe Charter Academy will offer before-school care for parents who wish to bring their children to school early. Before-school care begins at 6:30am. Before school hours are from 6:30am-7:15am.

Fees: The cost for children to participate in before-school care is \$5/day.

### After-School Hours

Monroe Charter Academy will offer after-school care for parents who wish to have their children stay after-school. After-school care ends at 6pm.

Fees: The cost for children to participate in after school care is \$7/day.

Please note, a minimum of 30 students and sufficient staff members, are needed to operate the program. Transportation will not be provided by the school for before or after-school care.

## Arrival

For students not participating in the before-school care program, arrival begins at 7:15am. Students must enter through the main entrance of the school and go directly to class. Teacher Assistants will be in the hallway to assist with this transition. Parents are not permitted to bring students to class.

## Dismissal

All students not participating in the after-school care program will be dismissed at 2:30pm.

## Dress Code Philosophy

Monroe Charter Academy dress code is to teach each student neat and appropriate dress. Students are to dress according to the dress code each and every day. We recognize that all students are unique and understand the importance of students expressing their individuality. Adhering to the dress code guidelines is very important. In addition, our dress code is very important because it is a measure to ensure student safety. Therefore, for your child's safety, please adhere to the following dress code guidelines for Monroe Charter Academy:

All Grades:

### **Boys:**

Bottoms: Navy blue or khaki pants or shorts.

Tops: Navy or white button up or polo tops.

Socks: All socks must be solid black, white, tan or navy blue.

Belts: A belt is required with all shorts and pants with belt loops for 1st grade and older, unless your child is wearing pants with a drawstring or adjustable waist. Belts are optional for kindergarten students.

Shoes: No open-toe shoes permitted. No light-up shoes.

**Girls:**

Bottoms: Navy blue or khaki pants, shorts, skirts, jumpers or skorts. Shorts must be worn under all jumpers and skirts that do not already have built in shorts.

Tops: Navy or white button up or polo tops.

Socks and Tights: All socks must be solid black, white, tan or navy blue. Tights must be black, white, tan or navy blue.

Shoes: No open-toe shoes permitted. No light-up shoes.

Belts: A black belt is required with all shorts and pants with belt loops for 1st grade and older. Belts are optional for kindergarten students.

Other important guidelines:

- Hairstyles must be neat and trimmed. Extreme or distracting hairstyles are not permitted (i.e. Mohawks or haircuts with designs).
- Girl's hair accessories must be consistent with the dress code. Example – navy, tan, black or white headbands or bows.
- Bandanas and athletic headbands are prohibited. Scarves may be worn on a case by case basis (medical, or extenuating circumstances).
- Hats of any kind are prohibited inside of the school building.
- Flashy jewelry is not permitted. All chains should be no longer than 10 inches from tip to tip.
- No hoodies are allowed to be worn in the building/classroom.

Children who come to school out of dress code compliance may be provided temporary clothing at the discretion of the parents. All clothes loaned must be returned to school the next school day.

Clothing for our dress code can be purchased from:

- Walmart
- Target
- Old Navy
- Other neighborhood uniform stores

## Dress Code Consequence

1. Verbal Warning
2. Note home to parent.
3. Call parent to bring clothes.
4. Call parent to pick up child from school.
5. Referral to Administration and Conference with Principal

## Student Attendance

The Monroe Charter Academy believes that consistent and punctual attendance is of vital importance and is a prerequisite for completing an education. Attendance requires cooperation and communication among students, parents/guardians, and school. We expect students to attend classes regularly, and to be on time in order to receive maximum benefit from the instructional program; to develop habits of punctuality, respect, self-discipline, and responsibility; and to assist in keeping disruption of the educational environment to a minimum. Our curriculum is a rigorous one; therefore, students need to attend every day to keep pace. We expect parents to send their student to school every day, except if there are extenuating circumstances.

**Students are expected to arrive at school at 7:15am. Attendance is taken at 7:30, therefore, after 7:30 students are considered late. If your child is late, you will be required to come into school to sign them in.** Students begin their morning routine at 7:30am. This block of time is an integral part of the day and should not be missed. Students who are late miss the most important part of the day's morning meeting, where students learn about community skills and the way to use those skills, opportunities to interact with their peers and teachers. **Please remember that report card grades and promotion to the next grade are significantly influenced by attendance and punctuality.**

## Tardy Policy and Procedures

If a student arrives at school after 7:30 a.m., he/she must sign-in in the main office with a parent/guardian prior to going to class. The student will receive an "Admit to Class" slip. It is suggested that teachers keep the "Admit to Class" slips in a folder until the end of the school year in order to further document student tardiness to class. All late arrivals are unexcused until verified with the "Student Sign-In" computer located in the main office.

Teachers will notify parent/guardian when a student accumulates a second (2nd) unexcused tardy. Teachers are responsible for communicating the following related to a student's unexcused tardiness:

1st time: Warn the child

2nd time: Send an email to parents – copied to Principal Designee

3rd time: Phone call home

4th time: Administrative referral and parent contact from the Principal

5th time: Referral to Principal who will contact parent and assign Saturday School.

Attendance is an extremely important component of a student's academic excellence. Children should be absent only when they are ill or in a rare emergency. **When a child returns to school after an absence, a parent note is required. If it is for medical reasons (3 or more days), the note needs to be from a doctor.** If possible, please try to have doctors' appointments scheduled after school or in the afternoons. Communicable diseases such as measles, chicken pox, conjunctivitis (pink eye), pediculosis (head lice), ringworm, etc., must be reported to the school office. Please note that children who are absent or leave school early due to an illness are not permitted to return to school to participate in after school activities or events.

## Family Travel Requests for Educational Opportunities

MCA recommends planning extended family vacations during school breaks (Winter Break, Spring Break, and Summer Break). Families choosing to plan extended trips may request an "Educational Opportunity Request" form. Upon Principal review, these absences may be excused. Requests must be made at least two weeks prior to departure. No excused absences for educational opportunities will be granted during the first month of school. Educational Opportunity Request forms can be obtained on the website under Parent Info.

## Illness

Please do not send a sick child to school. Parents are asked to wait until the child is 24 hours fever-free (less than 100 degrees) and no symptoms that results from diarrhea and vomit (without the use of fever-reducing medication) before sending the child back to school. If a child needs medication during school hours, a parent or guardian must come to school to discuss the matter with the school nurse.

## First Aid

If a student becomes ill at school, he/she should obtain a hall pass and report to the main office. Staff members will assess the student and determine a course of action. In the event a student is too ill to remain in school, the parent/guardian will be notified to arrange for early pick-up. We have a First Responders team that has been trained in CPR and First Aid.

## Medication

MCA has a written policy to ensure the safe administration of medications to students during school hours. It states that a physician must certify the necessity of administering the medications during the school day and the parent/guardian has requested in writing that school employees administer the medication, including written instructions.

**At no time can a student be in possession of a doctor prescribed medication while on campus. However, if a student has possession of his/her own medication and wishes to self-medicate, the school is relieved of any responsibility for the benefits or consequences of medication that is parent-prescribed or self-administered, and the school bears no responsibility to ensure that the medication is taken. This policy is acknowledged by parent/guardian signature on the "Letter to Parents Regarding Administration of Medication in School," which will be located on the school website under forms.**

**Students should be cautioned that if they choose to self-medicate and are caught giving out either prescribed or over-the-counter medications to other students, they may be in violation of the school drug policy and will be dealt with accordingly.**

## Early Dismissal Policy

- The instructional day ends at 2:30pm.
- Absolutely no early dismissals will be granted after 2:00pm.
- Changes to student's mode of transportation is due by 2:00pm.
- Students will not be released from class from a phone call we receive from the parent/guardian in route to school.
- Other than a student illness all early dismissals are considered unexcused unless a doctor's note is submitted.
- Please ask for an early dismissal only when necessary because your child will be missing valuable instructional time.
- A copy of any custody papers or restraining orders must be on file in the school office in

order for the school to prevent the release of a student to a non-custodial parent. In absence of such legal documentation, the school must release a child to either parent.

## School Field Trips

Each grade level will take four field trips per year. Students going on field trips must ride the activity/school bus to and from the destination. Each student is required to have a signed parent permission slip **before** the day of the field trip. The classroom teacher will notify parents when chaperones are needed for field trips. Chaperones will be required to complete a background check. Younger siblings may not accompany parent chaperones on field trips. Chaperones will be required to provide their own transportation. All field trips are subject to cancellation depending on safety or national alert status. **Fieldtrip monies are required to be given to the classroom teacher.**

## Lunch Visitors

We welcome parents/grandparents to visit and eat lunch. Please check in at the front office and obtain a "VISITOR" sticker. You may wait for your child at the entrance to the cafeteria. Parents/Visitors are encouraged to sit at their child's cafeteria table to enjoy lunch whenever space is available. No lunch visitors will be allowed during the first two weeks of school.

## Lunch Policy

1. Stand quietly in the line.
2. Take a seat as you come to it.
3. Eat only the food you purchased, or that you brought from home.
4. Eat all your food before quietly talking. Talk to those beside or across from you.
5. No soft drinks, red drinks or juice!
6. Each child must take care of his/her eating area when finished with lunch.

## Parties

Each class will have approximately two parties per year. One will be held prior to winter break and the other will be held at the end of the school year. Classroom teachers and room parents will work together to plan the details related to the parties. Class parties will be open to all parents and they will last approximately one hour. Class parties will

not take the place of regular lunch time. Parents can pre-arrange bringing in snacks for an entire class during snack time (not instructional time) with their child's teacher. Reader's and Writer's Workshop Celebrations in individual classrooms may have food and/or drink; however, celebrations should maintain an instructional focus on student work. However, these literacy celebrations will continue to be limited to the literacy block during the instructional day and will not conflict with instruction of other content areas. In light of the varied food allergies that students possess, parents can only bring commercially prepared and prepackaged items with a clearly labeled ingredients list. Balloons, flowers, and homemade foods are not to be brought to school.

## School Visitor Policy

At Monroe Charter Academy, we know that parents are vital partners in the education of our students. We welcome and encourage parents to come visit our school during school events. However, unannounced classroom visits can be disruptive to our educational program and can interfere with instruction. If parents would like to schedule a meeting with the teacher, they must call in advance and schedule an appointment to visit. In addition, calls from parents to teachers made during the school day will not be forwarded. Messages will be relayed to the teachers to contact the parent during their first available opportunity.

All visitors & volunteers to the school must sign in and show photo identification at the security desk in the lobby to receive their visitor's pass. Students must be signed out of school in the main office when picked up before dismissal time. It is essential for the safety of the children that we follow this protocol.

***\* Anyone found in the school building without a pass will be considered trespassing and treated as such.***

## School Lunch/Snack Policy:

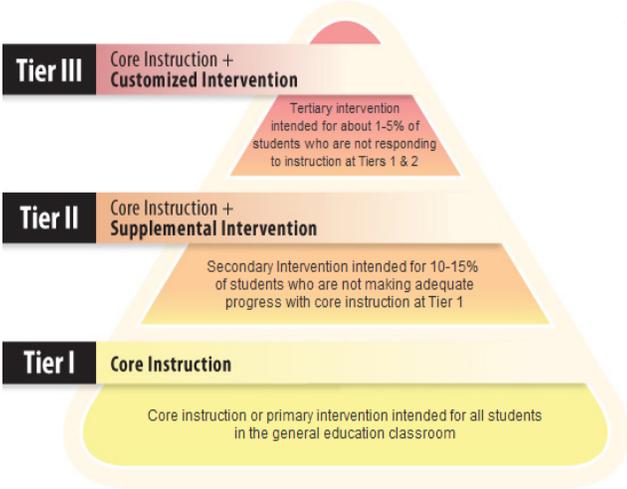

Students at Monroe Charter Academy will have several options when it comes to lunch at school.

1. Students may bring lunch from home. No glass containers.
2. Students may purchase lunch through an outside vendor on a weekly/monthly basis.
3. Emergency Lunches for \$3.00 will be available for students who forget their lunch. The emergency lunches invoice will need to be paid by Friday at 3:00pm.

4. For students who qualify for free and reduced lunch, Monroe Charter Academy will provide a lunch at the reduce rate based on your qualifications. Vendor lunches will be available for all students who qualify for free or reduced lunch.

5. Students are required to bring a snack to school for your child to eat during snack time. The drink during snack time is water. **NO CANDY!!!!**

### Student Support

Monroe Charter Academy adopted the Response to Intervention (RTI) Model to ensure that all of our students’ needs are met.

## What is RTI?

RTI is rigorous implementation of high quality, culturally and linguistically responsive instruction, assessment and evidence-based intervention. Comprehensive RTI implementation will contribute to more meaningful identification of learning and behavioral issues, improve instructional quality, provide all students with the best opportunities to succeed in school and assist with the identification of learning disabilities and other disabilities ([rti4success.org](http://rti4success.org)).

When a teacher recognizes that a student is struggling, that teacher will communicate with the student and notify the parents to make some adjustments in the classroom. This could be something as simple as moving the student's desk to the front of the class.

Tier 1: If the student continues to struggle, the teacher will schedule a meeting with the parent/ guardian and discuss what possible interventions are needed. Teachers must not skip this step and must communicate these issues with the parent. Teachers will be strongly encouraged to use both email and telephone to communicate with parents about these issues. We will make sure that teachers document each step they've taken to assist the student in the process. To ensure that this is an effective form of communication, teachers will be asked to submit their documentation if struggles continue.

Tier 2: If a student continues to struggle in the classroom, the teacher or parent may refer the student to the School Support Team. The School Support Team will be made up of a representative from our contracted EC services team and a fellow teacher. The teachers will plan after a full evaluation of the student's abilities. The student's teacher must present all documentation of the classroom struggles and minor interventions to the other members of the SST. From there, the team will develop an appropriate intervention plan that can maximize the student's potential. The parent or guardian must sign off agreeing to the intervention plan. Teacher Assistants will provide support when needed for a student's intervention plan and make sure it is implemented properly.

Tier 3: If those interventions do not prove effective, the student will then be referred to the EC teacher to be evaluated for EC services. The teacher that refers the student to the SST will stay involved and help the team develop the appropriate intervention.

## Exceptional Children

Monroe Charter Academy is committed to meeting the needs of all enrolled students. It will be our policy that every child has a fair and full opportunity to reach his or her full potential and that no child shall be excluded from appropriate educational offerings. To ensure that the needs of exceptional children are met, Monroe Charter Academy will have an Exceptional Children Department staffed with licensed, highly qualified, well-trained EC teachers. The EC department will be tasked with the screening of all students referred by the School Support Team (SST.)

The EC department will further be responsible for developing educational plans and strategies for special needs students.

The EC department will take every reasonable measure to prevent denials of equal educational opportunity on the basis of physical, emotional, or mental handicap, and will assure that the rights of students with special needs and their parents or guardians are protected. The staff of CCS will be aware of students with an Individual Education Program (IEP) or a Section 504 Plan and make sure that all requirements are being met as prescribed. The IEP will be updated regularly and adjustments will be made to accommodate each student. An EC teacher, classroom teacher, parent, and administrator will be given proper notification and invited to attend all meetings. There will be ongoing assessments in classrooms to identify students with special needs.

Students with a Section 504 Plan or identified as being eligible for a 504 plan will be offered accommodations and or services for the identified disability. Accommodations and services for both IEP and 504 plans will include but not be limited to: modification of tests and assignments, supplemental textbooks, adjusted seating, use of study guides and organizational tools, preferential seating, modified recess and PE, and use of necessary health care procedures. The school plans to contract for related services such as speech-language, occupational therapy, and physical therapy with a company that has a proven track record and extensive experience with providing EC services to charter schools.

Gifted students will be served by classroom teachers who have been trained in classroom differentiation and by a rigorous, challenging academic program.

## **English Language Learners**

A home language survey will be requested from every student at the beginning of each school year. ELL students may be identified by the survey or by classroom teachers or other school personnel. When possible and appropriate, the ELL teacher (through contracted services) will use Stepping Stones to English: ELL. This instructional program uses the Shurley method through a four-phase program. The first phase introduces the Shurley Method (being used through Shurley English) in the student's first language. By introducing the student to the Shurley Method in their first language, a student can grasp the instruction. The second phase introduces a bilingual approach, where English is being eased into the student's vocabulary via the Shurley Method. Phase three is an intensive transition to English and phase four, the student is fully emerged in English, still receiving assistance when needed by the ELL teacher. Through these phases, the student will only be pulled out of class when needed. The ELL instructor will be able to assist the student in class along with the lesson. Some students may enter the program at different phases depending on their proficiency.

The Shurley Method utilizes spiraled instruction, constantly reinforcing grammar skills, which aligns with the Core Knowledge Language Arts and Shurley English. The ELL teacher will monitor the progress of each student through a weekly or bi-weekly report (depending on the

phase) on the student's progress. Parents will be notified of the student's progress, especially when that student has entered a new phase or is exiting from the program. When a student is exiting from the program, we will ask for a parent to sign off, recognizing the successful completion of the program.

## **Parent/Community Involvement**

Monroe Charter Academy will seek out community leaders, business owners, and other members to come to the school to speak. This community interaction will be through our focus on citizenship. We intend to foster and maintain our relationships to seek new opportunities for our school to grow in the community. Students will also spend time engaging the community through our citizenship focus, seeing how they can add value and a bridge to well-being. We will maintain an open line to parents once the school is opened. Parents will be able to access a member of the PTO and the School Improvement Team. If a parent is unable to be heavily involved through the PTO or the SIT, then they will have the opportunity to attend a "Curriculum Night" or "Back to School Night," just to name a few, to experience our school culture.

Parents will have the opportunity to volunteer your time as classroom parent, reading buddy, guest reader, campus beautification, etc. If you are interested in being part of our family and can volunteer your time and services, please contact the Principal.

## **PTO**

The Parent/ Teacher Organization will operate as a separate organization sanctioned by the Board. The PTO will consist of parent officers, committee chairmen, the Principal, and three teacher representatives. The PTO will help oversee and facilitate extracurricular, recreational, social, and community service activities of the school. Both the SIT and the PTO will work collaboratively with the Principal and school community and give monthly reports to the Board of directors.

## **Report Cards**

Report cards are issued every nine weeks. At the end of the first grading period report, report cards will be given to parents at the parent/teacher conferences.

## Parent Responsibilities

Parents have a right and duty to monitor their children.

### *Please:*

- Send your children to school daily and on time. Not only is it the law, but being punctual is showing respect for other people and their time.
- Monitor your child's daily work. See that your child does his/her homework.
- Check for and read school notices daily. Note the teacher's methods and pacing.
- Fill out forms and return them promptly.
- Visit the school often and attend conferences and monthly PTO meetings.
- Remain orderly when on school grounds. If there is a concern with your child/children, please come into the main office and request to speak with an administrator.
- No tobacco or alcohol items are to be on school grounds.
- **Notify the school by 2:00pm on changes regarding your child's afternoon transportation.**
- **Inform the school of any changes in address, telephone number or emergency contact person.**

## Helping Your Child Achieve

As always, the most important things you can do are:

- Make sure your child attends school every day if he/she is healthy.
- Make sure your child arrives on time every day.
- Check to be sure that all homework is completed and returned to school on the day that it is due.

Here are important suggestions for becoming involved with your child's education:

- Make an appointment to talk to your child's teacher. The teacher can give you details about your child's progress and highlight what your child still needs to learn this year.
- Find out what kinds of extra academic supports are available in our school.
- After you meet with the teacher, talk to your child about setting some important goals for the rest of the year.
- Review with your child what you and the teacher expect in terms of homework assignments.

# Code of Conduct

It is the goal of Monroe Charter Academy to provide a safe and orderly environment for students, parents, and staff. To this end, we will set high behavior expectations for each student. Teachers will formulate, communicate, and model clear behavior expectations based on the idea that everyone should show kindness and respect. School-wide behavior expectations will be displayed throughout the school, discussed during assemblies, and consistently enforced. The disciplinary process will consist of four levels:

**Level 1:** Most instances of misbehavior can be addressed by the classroom teacher and every teacher will receive training in classroom management and strategies to address inappropriate or disruptive behavior. Teachers will keep parents informed if their student's behavior is not meeting expectations. If misbehavior persists or rises to a Level 2 offense, then the classroom teacher will refer the student to the administration. Examples of Level 1 behavior include but are not limited to talking out of turn, refusal to participate, not cleaning up after making a mess.

**Level 2:** Repeated Level 1 behaviors or more serious misbehavior will result in a referral to the Principal. The Principal will meet with the student and parents to formulate a corrective action plan that may include disciplinary measures. Possible consequences of a Level 2 offense include but are not limited to after school detention, in-school suspension, writing reflections, and suspension from extra-curricular activities. Examples of Level 2 offenses include leaving class without permission, disrespect of authority, and non-compliance with dress code.

**Level 3:** If Level 2 misbehavior persists in spite of the corrective action plan or are more serious, the Principal will meet with the student and the parents and formulate a corrective action plan that may include an out of school suspension of no more than 10 days. Examples of Level 3 offenses include disobeying school personnel, cheating, stealing, harassing others, and destruction of school property.

**Level 4:** If corrective action plans do not result in adjusted behavior, or if the misbehavior rises to a Level 4 offense, the Principal will meet with the student and the parents and may recommend long term suspension or expulsion. Examples of Level 4 offenses are possession of drugs, threats to others, possessions of weapons, and assault. A parent may appeal a Level 3 or Level 4 disciplinary action by submitting a written notice of appeal to the Principal within 24 hours of being notified of the action. The Principal will immediately notify the Board of Directors who will schedule a meeting to hear the appeal. The parents will be notified of the date, time, and place of the meeting and requested to attend. The decision of the Board regarding appeals of disciplinary measures will be final. When considering discipline of students with special needs, the Principal, with the help and consultation of the EC teacher, will review the student's file including his or her IEP or 504 plan. The Principal will take into account any accommodations or interventions in place and whether or not the misbehavior is a manifestation of the student's disability, and work with the parents to ensure that all of the student's rights are protected.

## **Harrassment, Bullying, and Cyberbullying**

No form of harassment will knowingly be accepted at Monroe Charter Academy. Bullying is described as a form of harassment started by an individual(s) who possesses a more physical and/or social power and dominance over the person who is being abused, or is subject to becoming a target (e.g. a parent bullying a teacher over an issue in the classroom). The various manifestations of someone who is being harassed can be verbal, physical and/or emotional. Bullies hurt people verbally and physically (e.g. a parent calling a teacher or staff member and verbally abusing them on the phone). Cyberbullying is a form of harassment. "Bullying is defined as the repeated intimidation of others by the real or threatened infliction of physical, verbal, written, electronically transmitted or emotional abuse including attacks on the property of a person or group" (e.g. a parent emailing a teacher or staff member and verbally abusing them through written comments). Bullying may include, but is not limited to, incidents of repeated verbal taunts, name-calling, and extortion of money or possessions, implied or stated threats, and engagement that is disruptive to the learning environment. MCA Administration and staff request parents/guardians to partner together in reporting cyberbullying or harassment outside of school. When such harassment is reported, MCA will make a good faith effort to investigate all such reports. Disciplinary action in such cases depends upon the said offense, findings of the investigation, and recommendation of the school administration and/or school board.

## **Safety and School Jurisdiction**

Students are under the jurisdiction of Monroe Charter Academy at any time they are on the school campus. This means that the students are subject to school policies, rules, and guidelines. Also included under the school's jurisdiction are all school-sponsored activities, whether on- or off-campus, such as field trips, student clubs, and school-sponsored social and recreational events.

### **Fire Drills**

MCA will have practice drills once a month. This is to prepare students in case of a real fire. All pulled fire alarms will result in OSS and a fine of up to \$500.00.

When the first alarm sounds, students will:

1. Assume there is a fire.
2. Know the exit and alternative exit for the classroom you are assigned.
3. Move quickly and quietly out of the building with your teacher and class.
4. Form lines in front of the church and wait until you are instructed to return.

## **Severe Storms and Tornadoes**

As part of their professional development, the MCA staff members are trained in the storm-safe areas designated for each classroom and office. Per the School safety plan, these are located along structural walls away from windows. MCA has a system in place to connect with a radio station for weather updates in the office to alert staff to potentially threatening weather.

## **Lock Down**

The ability to lockdown the school in the event of an emergency which threatens the safety of students, staff and visitors and/or school operations is of extreme importance. As part of their professional development, the MCA staff members are trained in lock down procedures.

## **Emergency Closings**

The Principal will assess the potential danger of inclement weather or any other unforeseen occurrence that presents a threat to the safety of students, staff, or property. In the case of school closings due to weather, the school will notify radio and television stations. MCA school closing information will be available on TV Channel 3 (WBTV), Channel 6 (NBC) and their sister radio stations: 99.7 and 102.9. If possible, the status of MCA classes will be announced by 6am, through a text blast, email and phone call.

Should weather conditions deteriorate during a school day to the extent that it is necessary to close the school, the same media will be alerted as to the school's closure. The school will also start a text blast, email, and phone call to inform parents. Children whose parents miss the notification will be held safely at school or an alternative location until the normal pick-up time.

## **Students Telephones Usage**

Students who wish to call home or to place any other calls will use the classroom phone per teacher approval. The school office phones are for official school business and emergency use only.

## **Messages to Students**

We recommend that parents call the MAIN OFFICE to leave a message for your child. That message will be given to the teacher and repeated to your child. Only in emergency situations

will the office manager interrupt the student's class to deliver a message immediately. Please be certain to relate important messages to your child (ren) before they arrive at school. Please follow our cell phone policy and refrain from calling your student at school. **Students are not allowed to use cell phones or smart watches during school day. Cell phones and smart watches are to be turned off and stored in your child's bookbag or purse.**

## No Cell Phones

Drivers are NOT to use their cellular phones once they enter campus, unless their car is parked and stationary (i.e. NOT part of a moving line), and only BEFORE 7:15 am for arrival or BEFORE 2:30 pm for dismissal whether the line is stationary or not.

First offense - the driver will be given a warning.

Second offense - the driver may be suspended from driving on campus for a determined period of time.

## Carpooling

MCA supports and encourages organized carpooling. Carpooling arrangements are voluntary and at the discretion of the parents. The school does not assume responsibility for carpool arrangements. We do encourage families to arrange meetings and exchange relevant information required for any vehicle use for the children.

## Bus Policy

Bus Plan for Safe Transport: We believe that all students are capable of behaving appropriately and safely on a school bus. Episodes of student behavior that distract the driver or compromise the safety of other passengers will not be tolerated.

Expectations:

1. Respectfully follow directions of the bus driver the first time that they are given.
2. Stay in the seat with feet on the floor and arms in personal space while the bus is in motion.
3. Keep hands, feet, and objects to self.
4. Talking should be appropriate and in a quiet voice.

5. Keep the bus clean and in good condition. Damages caused by a student become that student's financial responsibility.

6. Be respectful and courteous to other students on the bus as well as those outside the bus.

#### Progressive Consequences for Failure to Abide by Expectations and Policies

1. Warning to student
2. Call to parent from school personnel
3. Removal from bus for 1 day
4. Removal from bus for up to 5 days
5. Removal from bus for time period specified by school administration (At this time, a conference with the student's parent/guardian will be requested.)

Any student who displays behavior that severely distracts the driver or compromises the safety of bus passengers is subject to consequence #5. Public School Law 115-C-245 states that bus riding privileges may be revoked.

## Suspension Information

### **Due Process:**

Monroe Charter Academy sets forth the progression of interventions and disciplinary measures that will take place in the event that disciplinary measures need to be taken. In the event of a Level 2 infraction, guardians may be notified and may be asked to participate in a behavioral support conference. In the event of a Level 3, or 4 infraction, guardians will be notified immediately and asked to attend a disciplinary conference where they will be able to discuss the actions taken.

**Disciplinary Conference:** At a student's disciplinary conference, the administrative staff will present to the lawful parent/guardian accounts from witnesses, documentation, and evidence to support the disciplinary actions taken. There will also be time allotted for an informal response to the evidence from the parent/guardian. After hearing the parent/guardian response, the Principal will make a final decision about the consequence given.

**Short-Term Suspension\*:** The Principal may suspend a student for a period up to five days with serious cause. A follow-up, re-entry conference in school will be required prior to the

student returning to school. Classwork missed as a result of suspension must be made up by the student. (§ 115C-390.5)

**Long-Term Suspension\***: When a student commits a very serious Level 3 or 4 infraction, the Principal has the ability to suspend a child for a period of more than 5 days. The final decision about the student's long-term suspension status will be made by the Principal depending on the student's involvement in the situation at hand. The student's lawful parents/guardians have the right to appeal the decision to the School Board 24 hours after the suspension has been given, in writing. The School Board will respond to the parent/guardian within 48 hours in writing on the decision of an appeal is granted or denied. (§ 115C-390.7)

**Expulsion**: In the case that the Principal decides that a student's violation of the Code of Conduct warrants an expulsion, a hearing will take place. Based on the evidence presented in the hearing, the Principal will make the recommendation to the school Board, who will reserve the right to make the final decision. The student's lawful parents/guardians have the right to appeal the decision to the School Board 24 hours after the suspension has been given, in writing. The School Board will respond to the parent/guardian within 48 hours in writing on the decision of an appeal is granted or denied. (§ 115C-390.11)

\* A follow-up, re-entry conference in school will be required prior to the student returning to school.

\*\*Please note that suspensions will only be given after all of the guided interventions have been put in place for the student, except in cases in which the student exhibits behaviors that endanger their safety and/or the safety of others; in which case the suspension will be discussed with the student's parent by the school Principal.

## **Parental Role in Suspension**

The role a parent plays when a child is suspended is most important. Usually when the parent and the school support each other in measures taken during a suspension, the student benefits from the discipline. The parent's role includes support of the school's authority, helping to counsel the student regarding the infraction that led to the suspension, providing the necessary supervision during the period of an out-of-school suspension and participating in the re-entry conference after an out-of-school suspension. The re-entry conference may be conducted by telephone, at the discretion of the Principal. In addition, the child is entitled to alternative instruction on each day of his/her suspension. You are advised to bring your child to school to receive the two-hour instruction. The individualized instruction will be provided from 1:00 p.m.- 3:15 p.m. An adult will be required to wait for your child and take him/her home at 3:15 p.m. If your child does not appear at the scheduled time he/she will be marked absent. Depending on the nature, time and place of the infraction, suspension may be limited to or extended to exclusion, for a determined and possibly extended period of time, from extracurricular activities and other events on school property, whether sponsored by the school or another organization.

## **Discipline Policy for Students with Disabilities**

Discipline of a student identified as having a disability will be in accordance with the following:

1. Students for whom the Individualized Educational Plan ("IEP") includes specific disciplinary guidelines (a Behavioral Intervention Plan or goals and objectives related to student behavior) will be disciplined in accordance with those guidelines. If the disciplinary guidelines appear not to be effective or if there is concern for the health and safety of the student or others if those guidelines are followed with respect to a specific infraction, the matter will be immediately referred to the SST of the student's district of residence for consideration of a change in the guidelines.
2. Students for whom the IEP does not include specific disciplinary guidelines may be disciplined in accordance with standard school policy relating to each infraction. The SST of the student's district of residence shall be notified immediately of any suspension from classes and the school shall work with the SST to arrange appropriate alternate instruction.

If there is any reason to believe that the infraction is a result of the student's disability, the student will immediately be referred to the SST of the student's district of residence. If a connection is found, no penalty may be imposed and the school will work with the SST to consider a possible program modification.

If a student identified as having a disability is suspended during the course of the school year for a total of eight days, such student will immediately be referred to the SST of the student's district of residence for reconsideration of the student's educational placement. Such a student shall not be suspended for a total of more than 10 days during the school year without the specific involvement of the SST of the student's district of residence prior to the 11th day of suspension, because suspensions of such cumulative length are considered to be a change in placement.

## **Student Privacy and Records**

### **PROCEDURES FOR ENSURING THE SAFETY OF STUDENT ACADEMIC, ATTENDANCE, DISCIPLINARY AND OTHER SCHOOL RECORDS**

The school shall conform in all respects to the requirements of state and federal law regarding gathering, maintaining, securing, disclosing and using student records.

The Principal shall be responsible for the security of student records. He/she shall assure the safety and security of all student records and provide authorized persons and organizations access to those records at a convenient place and time within the limits stipulated by law.

Student records shall include all those mandated by North Carolina State regulations or statutes or authorized by administrative directives, and such permitted records as the Board of Trustees shall authorize.

Student records shall contain only such information as is relevant to the education of the student and is objectively based on the personal observations or knowledge of the originator of the record.

All anecdotal information and assessment reports collected on a student shall be dated and signed by the individual who originated the data.

Such rights include:

- A. Notification of rights in writing, in dominant language of parent/guardian, if possible;
- B. Copies of applicable state and federal laws and local policies made available on request;
- C. Should the parental rights of one or the other parent/guardian be terminated by a court of appropriate jurisdiction, it is the responsibility of the person/agency having legal custody to notify the school that the right to review student records should be denied the person whose rights have been terminated;
- D. Parents/guardians have the right to seek to include in the records material they think pertinent or to seek exclusion from the records of material that is untrue, irrelevant to the student's present educational situation or otherwise improperly contained in the student's record.

### **School Review of Student Records**

The Principal shall require all permitted student records of students currently enrolled in the regular educational program to be reviewed annually by certified school personnel to determine the educational relevance of the material contained therein. The reviewer shall cause to be deleted from the records data no longer descriptive of the student or educational situation.

Such information shall be destroyed and shall not be recorded elsewhere; nor shall a record of such deletion be made. Such data may not be removed from the record of an educationally disabled student without prior parental notice.

### **Records of Classified Students**

All records of educationally disabled students shall be maintained in accordance with regulations and established procedures that will ensure proper accessibility and confidentiality.

Parents/guardians or designees shall be permitted to inspect and review the contents of the student's record maintained by the school without unnecessary delay and before any meeting regarding the student's IEP

### **Transfer of Student Records**

- A. The Principal shall request records of a newly enrolled student from the school of previous attendance as soon as possible.
- B. The Principal shall forward mandated student records as soon as possible upon receipt of the request from the Principal of the school to which the student has transferred. Permitted records shall be forwarded in the same manner at the same time if parental permission was given at the time the student's parents/guardians informed the school of the transfer.

### **Permitted Access to Student Records**

A student may assert rights of access only through his/her parent/guardian. However, certified school personnel may, in their discretion, disclose student records to non-adult students or to appropriate persons in connection with an emergency, if such knowledge is necessary to protect the health or safety of the student or other persons.

A parent/guardian shall either have access to or be specifically informed about only that portion of another student's record that contains information about his/her own child or himself/herself.

A student record may be withheld from a parent/guardian only when the school obtains a court order or is provided with evidence that there is a court order revoking the right to access. Only that portion of the record designated by the court may be withheld.

Only authorized organizations, agencies or persons as defined in regulations shall have access to student records.

Particular attention shall be paid to the development safeguards whereby student records are made accessible to assigned secretarial and clerical staff in the performance of their duties, and to compliance with requirements for the security of computerized student records, which will

prevent access by unauthorized persons. Limited access shall be granted to secretarial and clerical personnel, under the direct supervision of the Principal, to those portions of the record and to the extent necessary to record data and conduct routine clerical tasks.

### **Conditions of Access**

No student record shall be altered or destroyed during the time period between a request to review the record and the actual review of the record. Those from outside the school whose access requires consent of parents/guardians must submit the request in writing, together with any required authorization, to the Principal.

**We have read the Student-Parent Handbook and will comply with the expectations that have been set forth by Monroe Charter Academy.**
