Dear Dr. Ford,

Greetings from the Department of Public Instruction. I am pleased to offer my congratulations to you and your staff for your school's performance during the 2021-22 school year. Enclosed you will find a growth award certificate for what I know was a challenging school year.

I'm presenting awards for achieving and exceeding expected academic growth under North Carolina's accountability system, which as you know was paused during the 2019-20 and 2020-21 school years. In addition to displaying the certificate, your school may obtain a website badge graphic that can be used on your website or on printed matter (banners, T-shirts) as you choose. To download the badge for growth, based on certificate category, go to <https://www.dpi.nc.gov/news/awards-reports-and-legal-documents#academic-growth-awards>

Academic growth represents an impressive amount of hard work by students and educators. Please share the appreciation and congratulations from the entire Department of Public Instruction and the State Board of Education with everyone at your school.

Sincerely,
